SUBJECT: B12-04, Refurbished Airstream Trailer

Transmitted for your review and recommendation, are the bids received to consider the purchase of a fully serviceable and fully restored 1960's or 1970's trailer built by Airstream, Inc.

When you have completed your review of the bids, please prepare your recommendation on this form and return the form to me. If you do not recommend awarding the bid to the lowest bidder, please explain why. This document will be considered a public record and open to inspection.

I recommend Architect Series LLC in the amount of \$ 52,000-

for the following reasons: 1976 26' Airstream trailer is larger than the
lower priced 1962 Airstream trailer and better fits our needs.
