Transmitted for your review and recommendation, are the bids received to consider the purchase of radio amplification systems. Structured Wireless was the low bidder, but as they are significantly lower than the other bidders, additional investigation is needed. Please contact their references and thoroughly document your findings, including; date and time of call/email, contact name, company, type of project, findings, and let me know what you find out.

When you have completed your review of the bids, please prepare your recommendation on this form and return the form to me. If you do not recommend awarding the bid to the lowest bidder, please explain why. This document will be considered a public record and open to inspection.

I recommend Structured Wireless in the amount of \$ 6900⁰⁰

for the following reasons: this vendor is the low bidder. A review of the provided references and previous projects showed satisfactory performance. Vendors proposal was reviewed and includes all necessary elements for Larimer County Requirements.
