

LARIMER COUNTY BID #14-11
LIFT STATION AND FORCE MAIN PROJECT
HEALTH DEPARTMENT
JUNE 5, 2014 2:00 P.M.

Bids to consider entering into an agreement with a general contractor to install a duplex submersible grinder pump station in an existing wet well and a high density polyethylene force main in the most expeditious manner possible with scheduled milestones for the Larimer County Health Department were received and opened on Thursday, June 5, 2014 at 2:00 p.m. in the Purchasing Department. Bids were opened by Les Brown, Department Specialist I and recorded by Kathryn Rowe, Purchasing Director. The following bids were received:

<u>VENDOR</u>	<u>PROJECT TOTAL COST</u>
Integrated Water Services, Inc.	\$626,463.00
Layne Heavy Civil, Inc.	\$708,250.00

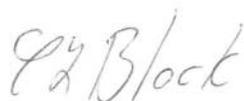

No decision of award was made pending review and recommendation by the Larimer County Health Department.

The Larimer County Health Department reviewed the bids and recommends accepting the bid from Integrated Water Services, Inc. pending negotiations as per the attached departmental recommendation. Negotiations are needed because the lowest bid exceeded the budget for this project. JVA Consulting Engineers, on behalf of Larimer County, worked with Integrated Water Services, Inc. on cost saving valued engineered design modifications to reduce the project cost. The negotiated Project Total Cost is \$595,505.00, which is a savings of \$30,958.00.

The Larimer County Purchasing Department concurs with the above recommendations.
