SUBJECT: B14-16, 2014 Resurfacing Program

Transmitted for your review and recommendation, are the bids received to consider entering into a contract with a vendor for patching, leveling and overlaying 4 miles of county road in the Berthoud area. Approximately 3,207 tons of Aggregate Base Course Shoulder, 24,997 tons of Hot Mix Asphalt and 60,267 square yards of Geotextile (Paving) are included in the work. Larimer County may request additional work sites to be completed under the Force Account Bid Item

When you have completed your review of the bids, please prepare your recommendation on this form and return the form to me. If you do not recommend awarding the bid to the lowest bidder, please explain why. This document will be considered a public record and open to inspection.

I recommend Coulson Excavating in the amount of \$ 2,452,172.30

for the following reasons: Lowest responsible bid. All required documentation was submitted with this bid.
