

***** Bid #B15-06 has been Shut Down *****

June 22, 2015

Bids were opened at 2:00 p.m. on April 21, 2015 to consider entering into an agreement with a general contractor to install a wastewater treatment facility (WWTF) in the most expeditious manner possible with scheduled milestones. Unfortunately, the bid has been **Shut Down** due to all bids exceeding the budget/loan amount.

To complete this project, the homeowner's association (HOA), along with the help of Larimer County, plans to apply for a second loan from the State Revolving Loan Fund (SRF) program. In November, 2015, the HOA will vote to see if the members wish to pursue this additional second loan. If the election passes, then the HOA will apply for the loan.

Once all this is completed, then the County will re-bid this project. At this time that re-bid is expected to take place during spring of 2016.

Starting Monday, June 15, 2015, Larimer County Purchasing will advertise all Invitations to Bid and Requests for Proposal on Rocky Mountain E-Purchasing, at www.rockymountainbidsystem.com.
