COMMUNITY PERSPECTIVE COMMITTEE MEETS

While running for office, District Attorney, Clifford E. Riedel, pledged that he would establish a Community Perspective Committee to provide citizen input on a wide range of criminal justice issues. Cliff's hope is that this committee will help the District Attorney's Office be more responsive to community safety concerns in Larimer and Jackson counties. Citizens interested in participating on such a committee were asked to submit a letter of interest detailing their background and experience that would add value to the committee.

The inaugural meeting of the 2016-2017 Community Perspective Committee, was held on January 11, 2016. The following community members were selected and appointed to two year terms:

Paul Crumby (Larimer County)
Bob Howard (Larimer County)
Michael Katz (Larimer County)
Barbara Koelzer (Larimer County)
Greg Krush (Larimer County)
Pat McVey (Larimer County)
Millie Mitchell (Larimer County)
Bob Novascone (Larimer County)
Nicole Pelletier (Larimer County)
John Rich (Jackson County)
Mary Beth Swanson (Larimer County)
Jamie Viefhaus-Zak (Jackson County)

Members of the Committee have all expressed their willingness to bring criminal justice concerns of their friends, neighbors and acquaintances to the Committee's attention. Concerned citizens may also email suggestions for the Committee to 8thdist-da@co.larimer.co.us.
